

# Ventura County Fire Department Historical Foundation

**Remembering for  
the future...**

*Thousand Oaks' first fire station, 1932, located at Jungleland on Thousand Oaks Blvd. The fire engine was one of five Mack pumpers. The other four were the first engines assigned to the communities of Ventura, Moorpark, Port Hueneme and Camarillo.*

## **The Ventura County Fire Department Historical Foundation Needs You !**

Working to preserve, material, stories and photos related to the departments past.
